Maryland Charter Chapter

There is no additional cost to join a local chapter once you are a Global ICF member

In order to be a member of our Maryland chapter, you need to be a member of ICF Global. That requires that you meet **one** of these requirements:

- Have a credential (ACC, PCC, MCC)
- Have 60 hours of coach specific training
- Be enrolled in approved ACTP or ACSTH training program and are due to complete at least 60 coach training hours within 12 months of enrollment

If you are already a member of ICF Global and haven't selected Maryland as your home chapter, please consider doing so. If you are not a member of ICF Global, and are eligible, please join and select Maryland as your home chapter. If you are still interested in joining but do not qualify, inquire about ICF MD Partnership status.

To join, go to: Coachfederation.org

When you join the Global ICF as a first time member, you have an opportunity to select from a dropdown menu which local Chapter you would like to affiliate with during the application process (it is one of the last pages of the application).

When you renew your membership, the application will automatically populate previously selected information, including the Chapter affiliation.

If you are already an ICF member and you wish to change your Chapter affiliation, you can do so at any time directly from your membership profile at Coachfederation.org. Here are the steps:

1. Log into Coachfederation.org
2. Click on "Edit Profile"
3. Mid-way down the page, there is a section called "Chapter selection" with a link that reads "Click here to change your Chapter"
4. A dropdown menu will appear on the following page and give you an opportunity to select a Chapter to affiliate with.
